

**Renewal Application  
Sponsored Research Appointment**

Sponsored Research Appointments are available to full-time UMBC faculty members who have sufficient funding from external sources to supplement their academic year salary by at least 20%, plus a proportional share of all fringe benefits. Details of the policy governing Sponsored Research Appointments are available at [http://www.umbc.edu/provost/sponsored\\_research.html](http://www.umbc.edu/provost/sponsored_research.html) along with a document providing questions and answers concerning the policy and its implementation.

To renew your Sponsored Research Appointment for fiscal year 2019, please provide the information requested below and *include the official notice of grant/contract award for each project that will support your appointment*. Alternatively, you may document your support with an *Award Information Sheet* from the Office of Sponsored Programs.
