

**Application  
Sponsored Research Appointment**

Sponsored Research Appointments are available to full-time UMBC faculty members who have sufficient funding from external sources to supplement their academic year salary by at least 20%, plus a proportional share of all fringe benefits. Details of the policy governing Sponsored Research Appointments are available at <https://provost.umbc.edu/resources-for-faculty-staff/sponsored-research-appointments/> along with a document providing questions and answers concerning the policy and its implementation.
